

Applying for a Passport

Which passport do you need? A book or a card?

A **passport book** is valid for international travel by air, sea or land.

A **passport card** is valid when entering the United States from Canada, Mexico, the Caribbean and Bermuda at land border crossings or sea ports-of-entry. A passport card is NOT VALID for air travel outside the United States.

Both the book and the card are valid for 10 years for adults and 5 years for minors (under the age of 16).

What do I need with me when I apply?

- For each person requesting a passport you will need a certified copy of your Birth Certificate, Naturalization Certificate or an undamaged US Passport that was issued after the age of 16, but is now expired.
- Your Driver's License, State issued Government ID, or Military ID.
- If applying for a passport for a minor, the county will use the ID of both parents, who will need to be present with the child. *Form DS-3053 is available if one parent is unable to come in to apply.
- At least one check or Money Order (MO) per application. The fee that goes in with the application needs to be in the form of a check or MO. Dodge County does not accept debit cards or credit cards for payment.
- Passport pictures - These can be taken at the Dodge County Land Records window for a fee of \$15.00, you can also get pictures taken elsewhere. We advise you to get passport pictures taken and not try to do them yourself.
