This form may be submitted in to Dodge County for reimbursement after all measures have been taken by the Hauler to collect the Service Charge.

Mail to: Dodge County Environmental Services, 22 6th St E Dept. 391, Mantorville, MN 55955
If questions please call: 507-635-6273

Instructions for Completing the Refund Request Report

Please fill in every blank. If you have no activity in a category, please complete it by entering a zero (0).

Customer and Collection Information

1. Enter the account name, address and phone number.
2. Enter the date and the amount of service charge that was billed. (This can be a combination of months that the customer has not paid)
3. Enter the service charge amount that was received from the customer if any.
4. Enter the amount of Service Charge that was submitted to the County for each account.
5. Enter the amount of Service Charge that you, the hauler, have not been able to collect after all collection processes have been completed.

Repeat 1-5 for each account that has not submitted the full amount of service charge owed.

Sign and date the form and remit it to Dodge County Environmental Services. Please make copies as needed for any additional uncollected accounts.
