Guy W. Kohlhofer, P.E., County Engineer

PERTINENT REGULATIONS

Safety

1. Flags, flares and barricades shall be erected to protect traffic and person. (Spec.1707)
2. Traffic to be allowed to pass and to be protected at all times. (Spec. 1707 & 1708)
(A) If it is not possible to allow traffic to pass a suitable detour must be provided.
3. Barricades to be erected in a manner which will provide suitable visibility in all directions.
4. If blasting is necessary precautions must be exercised. (Spec. 1711)
5. If work to be done lies within a municipality or platted town, permission must be obtained from such village, town, or city.
6. Excavations must be cribbed when necessary, depending upon type of soil, in order to prevent cave-ins.
7. Underground construction must be so constructed as not to harm or unnecessarily destroy the root growth of sightly or ornamental trees.

PERTINENT REGULATIONS

Roadway

1. If pavement or roadway is damaged same shall be restored to original condition.
2. Concrete pavement to be replaced according to State specifications.
3. If settlement occurs or excavation caves in so that replaced materials settle (bituminous mat or concrete base) same shall be restored to its original condition.
4. No pole anchors, anchors, braces or other construction to be put on roadway shoulder, except by permit authorization.
5. No driving on to highway from ditch or driving on shoulders where damage will occur.

LIMITATIONS

1. No lugs shall be used on equipment traversing road.
2. Roadside should be cleaned up after work is completed. (Spec. 1407)
3. If Dodge County shall make any improvements or change on all or any part of its R/W upon, over, under or along the C.S.A.H., C.A.R., or County Municipal Street then and in every case the applicant herein named shall after notice from the County Engineer, proceed to alter, change, vacate or removed from Highway R/W said works necessary to conform with said changes without cost whatsoever to Dodge County.
4. No work shall be done which will create a nuisance.
5. After work on a project is completed said persons doing such work must notify the County Engineer that such work has been completed and ready for final inspection and acceptance by the County Engineer.
6. Property owner shall be responsible for erosion control and establishment of vegetation.
